

## Robert Jones & Agnes Hunt Orthopaedic and District Hospital NHS Trust

### National Fellowship in Bone and Soft Tissue Histopathology

Applications are invited for a National Fellowship in Bone and Soft Tissue Histopathology. The purpose of this post is to give the appointee additional training to acquire expertise in the field of bone and soft tissue tumour histopathology.

This post is a one year fixed term appointment (funded by the NHS National Commissioning Group (NCG)).

The successful candidate will choose to be based at one of the four NHS primary bone tumour treatment centres that are accredited and funded by the NCG.

These centres are:

1. Robert Jones and Agnes Hunt Orthopaedic Hospital NHS Trust
2. Royal Orthopaedic Hospital NHS Foundation Trust
3. Royal National Orthopaedic Hospital NHS Trust
4. Nuffield Orthopaedic Centre NHS Trust

The appointee will be employed by the RJAH Orthopaedic Hospital, and the appointee will also elect a base hospital.

During the course of the year, in order to broaden the fellow's experience, the post-holder will be expected to spend one month at each of the other NCG centres (including Royal Victoria Infirmary, Newcastle). Travel and accommodation costs will be covered for the periods spent away from the elected base hospital.

The remuneration will be equivalent to that of a first year consultant.

Applicants must have completed, or be within three months of completion of specialist training (CCST) or equivalent and to have acquired the status of FRCPATH (or equivalent) by examination.

Interested individuals should contact Dr D C Mangham, Robert Jones and Agnes Hunt Orthopaedic Hospital by correspondence or by telephone on 01691 404148 or e-mail: [chas.mangham@rjah.nhs.uk](mailto:chas.mangham@rjah.nhs.uk).

Please apply online at [www.jobs.nhs.uk](http://www.jobs.nhs.uk). Alternatively, contact the Human Resources Department on 01691 404470 for a postal application form.
